ESTATE

Starting with only a handful of purchased grapes in 1978, Marietta Cellars has been a standout winery in Sonoma and Mendocino since the very start. Founded by Chris Bilbro, a Sonoma native with winemaking roots dated back three generations, Marietta rose to prominence with its revolutionary Old Vine Red, a California red blend that essentially created the category. The winery has slowly expanded its estate holdings over the past thirty years, evolving into a beacon for high quality, balanced Cabernet Sauvignon, Zinfandel, and Rhône variety blends.

WINE

Affectionately known as "OVR," Marietta's Old Vine Red is a proprietary red wine made to replicate the field blends of the old vineyards in Sonoma and Mendocino counties. A groundbreaking combination of varietals and multiple vintages first produced in 1982, this wine has blazed the path for red blends for decades. With an historic underground following, it is one of the longest lasting and best known red blends produced today. Predominantly comprised of fresh, young Zinfandel, OVR gets its backbone from Petite Sirah with about three years of age in neutral barrel, and its savory component from Syrah with about two years of age in neutral barrel. Occasionally, other varieties like Barbera, Carignan, or Grenache will be blended in for other elements. The goal is always an enjoyable table wine made with integrity that combines pure fruit, a supple mouth feel and a rich, solid structure.
